Review summary	Bargain hunters, ZoneAlarm with Antivirus is the security deal for you.	F-Secure Internet Security 2005 bundles first-rate antivirus and firewall protection with spam- and spyware-fighting tools.	EZ Antivirus 2005 isn't the most feature-packed virus scanner on the market, but it's certainly one of the fastest. Home and small-business users looking for speed should give it a try,	Norton AntiVirus 2005 is a tenacious virus fighter that, given its premium price, should also--but doesn't--include a firewall. It's	VirusScan 9.0 is a worthwhile upgrade for current VirusScan users, who will benefit from the improved spyware detection.	PC-cillin Internet Security 2005 delivers speedy virus scanning and a host of other Internet protection tools--all for the price
